

Williams Realty Presents

SUMACH LAKE HOME

Beautiful wooded lake lot, level walk to sand frontage. Unusual prefabricated home built in the 70's. The Pod sits on 4 legs atop concrete pads in the ground. Septic, well, and electricity are connected thru the base. Maintenance is minimal, just hose it down in the spring.

Many of the interior's custom built-in appliances and furniture are original to the home.

The sectional sofa and concealed cabinets make up most of the 500

sq. ft. of living space. Extra bed can be assembled with the coffee table and part of the sofa.

Enjoy this wonderful home now and build you dream home in the future. Price includes all of the toys, fishing boat and 75hp motor, paddle boat, jet ski.

“Come enjoy this out of the world experience.”
